# Message from CEO

Dear Friends & Well-Wishers,

AIC-Nalanda witnessed an exceptional quarter with series of initiatives, events and programs bringing the entire ecosystem together to create impact and growth multifariously. We are glad to share the activities of last three months that involved all stakeholders from not just Odisha but also the national arena who came forward to share their expertise, support the startups and strengthen the ecosystem.

We had one more season of Tinker Saturday concluded with inspired tinkerers of Bhubaneswar. The selected teams of ATL Marathon made their way to AIC-Nalanda for the Bootcamp and spent an amazing week for learning some basic tenets of innovation & entrepreneurship. The Sanvridhi acceleration program concluded its 3rd cohort with 22 startups pitching before 10 renowned investors at the Demo Day.

The long-awaited grand event and our annual extravaganza of Odisha Startup Carnival was inaugurated during the last December. The 15-day long sequence of events got every enabler, stakeholder and beneficiary of the ecosystem stand under one roof to contribute or gain the best of one's capabilities. The mentoring sessions, engagements with academia, industry, international bodies, incubators, communities, tech enablers, investors and government agencies made the OSC 2023 a huge success and has set the benchmark higher than ever before.

We have forged many partnerships and onboarded exclusive mentors & investors to our resource pool during the said period. Our collaboration with Startup Odisha for the annual flagship events of Startup Yatra, Startup Xpress and Fundstack 3.0 have setup new milestones for students, startups and the entire ecosystem to indulge, involve and initiate their entrepreneurial journey. I am also overwhelmed in sharing the success of our members of Fab Lab Innovation Club on national and international platforms.

I am confident that the enormous effort put by our team will yield impactful results in near future and together we shall build a strong and robust ecosystem for startups to grow boundlessly. Looking forward to cooperation and collaboration from everyone in this exciting journey. Thank You!

# Student Innovation Program

Atal Innovation Mission's Student Innovation Program 2023 was organized by AIC-Nalanda, coordinated by Fab Lab in collaboration with Karkhana Maker Space. The teams, consisting of young innovators who were selected in the ATL Marathon, participated in this 5-Day Bootcamp which was held from 26th to 30th December 2023. The 8 participating teams went through numerous sessions of mentorship to develop the functional prototype and envision a market-ready product while shaping their way towards the final demo day.

# Acceleration Program

## Workshops & Mentoring Sessions

**Ms. Swati Adhikary**, Managing Partner, Infuse Studio joined us at AIC-Nalanda for an exhilarating 2-day Idea Ignition workshop held on 13th & 14th October 2023. Startups dove deep into problem-solving, user empathy, persona research, ideation, and prototyping, shaping their visions into reality. Engaging activities sparked fresh insights, helping them see their startups in a whole new light.

**Mr. Niteen Gadgil**, from Saakav Management Consultants joined us at AIC-Nalanda for Sanvridhhi 3.0's one-on-one physical mentoring session, held on 3rd & 4th November 2023. Total 17 startups participated where 9 startups joined in physically and 8 other startups joined in virtual mode. The session enabled startups to discuss their challenges and gain valuable business insights. These mentoring sessions consistently prove transformative, providing startups with completely new perspective and newfound inspiration for success.

## Demo Day

The impactful Sanvridhi 3.0 Acceleration Program concluded with the Demo Day, held on 22nd December 2023 with 22 selected startups.
